

**Home-based Palliative Care
Counsellor Caseworker
0.8 EFT**

Peninsula Home Hospice is a not for profit community palliative care service providing support to clients in their homes. Our catchment area is the Mornington Peninsula, Frankston and part of the City of Kingston. We are seeking a compassionate Counsellor Caseworker with excellent communication skills and a dedication to making a difference for clients and families quality of life.

Working within an interdisciplinary team the role provides comprehensive, psychosocial assessment and ongoing care for clients and their caregivers/families, along the palliative care trajectory. The role also includes comprehensive bereavement support. The position requires established work practices, a commitment to palliative care and the ability to work independently with guidance and support from a dependable team.

PHH offers staff:

- Extensive salary sacrifice packaging
- Ongoing education and learning opportunities
- A supportive workplace including a comprehensive Employee Assistance Program (EAP)
- Flexibility for work/life balance

The mandatory key selection criteria are listed in the Position Description which is on our website.
