

**Home-based Palliative Care
Specialist Palliative Care Nurse Div 1
0.8 EFT**

Covering from South Mordiallac through to Mornington Peninsula, we are a not for profit organisation providing specialist palliative care in the home. We are seeking a compassionate, enthusiastic Div1 Nurse with excellent communication skills, dedicated to making a difference.

Working within a multidisciplinary team the role provides direct care to clients and their caregivers along the palliative care trajectory. This includes assessment, ongoing care planning and nursing care. The role requires established work practices, a commitment to palliative care and the ability to work independently with guidance and support from a dependable nursing team.

PHH offers staff:

- Extensive salary sacrifice packaging
- Ongoing education and learning opportunities
- A supportive workplace including a comprehensive Employee Assistance Program (EAP)
- Flexibility for work/life balance

The mandatory key selection criteria are listed in the Position Description, which is on our website, and the key result areas will need to be addressed in your application.

Written applications or further information please email wendy@peninsulahospice.com.au or contact Wendy on (03)5973 2409 or 0405 226 160.

Applications Close: Monday 10th May 2021

“Before I applied for PHH, it really helped me by chatting to the CNC. Although I really enjoyed palliative care, I had never thought about applying for a job, as I did not think I was qualified/specialised enough. I was worried that I didn’t know enough about palliative care. It really helped having a chat... and hearing that the education would be ongoing.”
