

Home-based Palliative Care Specialist Palliative Care Nurse Div 1

An opportunity has arisen for a specialist palliative care nurse to join our friendly interdisciplinary team, providing home-based care to people living at home with a life threatening illness.

This eight day fortnight position involves:

- Assessment and care planning
- Palliative care nursing and client advocacy
- Participation in client care meetings
- Participation in clinical supervision
- Autonomous management of caseload
- Ongoing education and learning opportunities
- Participation in oncall work

To be successful you will need to have:

- Palliative care nursing experience with appropriate qualifications
- Community nursing experience
- Proven track record in working with families, including culturally diverse
- Capacity to work with internal and external stakeholders
- Maturity to work both independently and within a team

PHH Offers:

- Salary Packaging
- A comprehensive Employee Assistance Program (EAP)
- A place of employment that has "Strong goals clarity, values clarity, strong respect and support for wellbeing, and strong team climate". (*Report on 2017 PHH Employee & Volunteer 'Engagement Survey'*)
